(Such as suppressor type, length to be cut, thread protector needed etc.)

Return Shipping:

NOTE: Return shipping is in addition to the service charges listed on our website. If you prefer to pay by check, please call us in advance for a return shipping quote.

All return packages are sent signature required for your protection (adult signature for handguns). Please select a return address where someone is going to be available to sign. If this is not possible please contact us and we can arrange an alternative or fill out the **Customer Return Shipping Declaration** below. In some cases it may be possible to have a package left for pickup at a Fedex or UPS location, and picked up using photo ID.

Customer Return Shipping Declaration:

I'm fine with having my items shipped back to me **SIGNATURE REQUIRED**.

I hereby request that my packages be sent **NO SIGNATURE REQUIRED** and absolve Tornado Technologies LLC and their chosen carrier in the event my package is lost, stolen or damaged as they will have no recourse for action or remuneration.

I certify that I have read and agree to the above declaration: _____
(Signature) (Date)

Special Notes On Shipping Complete Handguns & Handgun Receivers:

To be covered by Fedex/UPS insurance, handguns and handgun receivers must be returned Fedex Priority Overnight/UPS Next Day Air. Please note that Fedex and UPS cannot deliver to PO boxes. Federal regulation prevents complete handguns or handgun receivers from being shipped via US Postal Service, but has an exemption for Federal Firearms License holders. Customers may want to ask their local FFL Dealer what fee they would charge to forward their handgun(s) to us via US Postal Service, as it may be cheaper than Fedex/UPS Overnight shipping charges. We can return handguns the same way.

NOTE: For NFA items (SBRs, SBSs, Machinguns, Destructive Devices, Silencers & AOWs), Oregon State law requires that we have proof of Federal registration. Please include a copy of the front of your ATF Form for our records. (Not required when sending barrel only)

NOTE: Sworn Police/LE Officers & Military, please include a copy of credentials for 10% discount on services. Please black out any sensitive information. Unit/Department patches are always welcome!

NOTE: Tornado Technologies LLC is not liable for damage to your item(s) by carriers when in transit to us. We recommend that packages are packed in such a way that they can be dropped and thrown around without sustaining damage to the contents. Take note of your carrier's packing requirements and disclaimers. Note that the declared value is not insurance.

Please check to make sure all information is correct after printing!
